**GIFT AID DECLARATION**

Registered Charity Number: 1094859

The Society can claim tax relief from the Government  
if you are a UK tax-payer or in receipt of a personal  
pension. It will cost you nothing and the Society could  
claim up to 28p per £1 of your subscription.

*"I would like The Cornwall Garden Society to reclaim  
the tax on any membership subscription or donation  
that I make. I confirm that I have paid an amount of  
UK Income Tax and/or Capital Gains Tax at least equal  
to any tax reclaimed. I understand that by notifying  
the Society, I can cancel this declaration at any time or  
if I no longer pay tax at least equal to the Income Tax  
and/or Capital Gains Tax reclaimed by the Society"*

Registered Charity Number: 1094859

## Welcome to *The Cornwall Garden Society*

Welcome to a garden society that is based in one of the most favoured parts of the world for gardening. Cornwall has so much to offer for garden lovers: some that are historically important, some that are new; stunning spring colour; cliff, woodland and sub-tropical gardens; tender plants from around the world that grow nowhere else in the UK. They all await your discovery and enjoyment.

The C.G.S.'s principal aim is to foster a love and knowledge of gardens and plants, and to make the most of the garden lover's paradise that Cornwall has to offer. On the right are listed the many aspects of the society's activities that are available to members. They include numerous opportunities to visit outstanding gardens and to enjoy social events with like-minded enthusiasts. Students and singles, families and friends, seasoned hands or gardening novices - there's something for everyone.

Another equally important role the Society performs, thanks to its charitable status, is to support and encourage all areas of garden knowledge and education. Every year a proportion of our proceeds from membership and events goes towards the C.G.S. Grant Fund for students undertaking horticultural courses at Cornish colleges and the University. So by becoming a member you will be helping to ensure the county's wonderful gardens will continue to be tended by appropriately qualified professional staff.

*Andrew Leslie*

Chairman

## *The Benefits of Membership*

By becoming a member of the CGS, and thereby a member of Cornwall's vibrant horticultural community, you can enjoy:

- Privileged admission to the CGS Spring Flower Show.
- Free admission to a varied programme of lectures held between October and April, featuring eminent national experts and informative local speakers.
- The chance to exchange garden knowledge and ideas, and of course plants, with other members (and to visit their gardens as you make new friends).
- Regular visits to interesting and outstanding gardens, with special local 'walks and talks' tours and out of county trips.
- Garden theme holidays.
- A regular newsletter, programmes and information to keep you up to date with meetings and activities within the Society.
- A copy of our Annual Journal, authoritatively written and beautifully illustrated, of which Cornwall can be proud.
